THIS MEMO MAY CONTAIN PRIVILEGED ATTORNEY-CLIENT COMMUNICATIONS

Hi All,

When I spoke to the lawyer representing some of the residents today, I asked if he could tell us which area residents are his clients. Here is the list his firm provided. He indicated that he would be calling his clients today to encourage them to cooperate with EPA's survey/interview. He also mentioned that he will be emailing me additional sampling data in the next day or so. When I receive it, I'll forward it on.

If this information should be provided to anyone else on the team, please forward it to them.

Thanks,
Humane
